No.ITRA/SHP/EQ-1/2025 /1693

Dt: 19.05.2025

20

All the Trade:

CIRCULAR No. 11810

Sub: Optimum utilisation of EQ-1 Berth which is being operated through O&M Contract - Reg.

In compliance to the Tender conditions, VPA shall make use of the existing Plant & Machinery along with the Project Facilities and the berth available at EQ-1 Terminal in the event of idling for more than 96 hours. In such cases, VPA shall nominate bulk cargo vessels at EQ-1 berth for handling compatible cargoes duly making use of the existing Mechanized material handling system.

Besides the above, cargoes such as Manganese Ore, Quartz, Rice, Cashew etc., which are not compatible with the existing Mechanized system can be handled at EQ-1 berth as per the prevailing practice in vogue i.e. by collection of VPA's SOR towards handling Non-compatible cargoes only.

. The Trade are requested to note the above and nominate vessels accordingly.

Authority: Competent Authority's Orders on the Note No.IM&EE/MOF/EQ-1/2025,
Dt. 09.05.2025.
