## **NAVIGATIONAL CIRCULAR - 01 / 2025**

This is to bring to your notice that, as a part of maintaining the required depths, the Kakinada Deep Water Port (KDWP) navigational channel maintenance dredging will be commenced from 14<sup>th</sup> Jun, 2025 for a period of 100days - tentative completion by 22<sup>nd</sup> Sept 25.

Maintenance dredging will be carried by the trailer section dredger TSHD"ANTIGOON" along the berths and berths area, OSV channel, turning circle and Main Channel up to Fairway Buoy.

For the safety of navigation, mariners and vessel/boats owners are cautioned about the dredging activities and while passing the dredger or dredging activity area the speed is restricted to 4-5Kts or as required.

It is mandatory for all vessels entering and leaving the harbor must inform and obtain clearance from the pilot station on Ch14 prior. All vessels calling KDWP, particular attention to be drawn to non-piloted movement vessels, such as OSV, AHT, Survey vessels, fishing boats, tow boats, barges, Coast Guard patrol vessels shall have a prior communication with the Dredger vessel on VHF CH 16 for entering and clear passage.

For Kakinada Seaports Ltd.,

 13/06/25

Capt. Y. Ravi,  
GM – Marine.
