Sub: Shutdown of Liquid Cargo Berths – Intimation to Stakeholders

In continuation to Trade Notice No. JNPA/Traffic/BPCL/JJLTPL/TN/2025/219 dated 11-Aug-2025, the attention of all stakeholders is invited to the following revised shutdown schedules at BPCL and JJLTPL liquid cargo berths:

Shutdown at LB-01 only

BPCL Liquid Cargo Terminal (LB-01 only) will remain shut from **06-October-2025 to 07-October-2025** (instead of 06-October-2025 to 08-October-2025) for installation of a Marine Loading Arm. Other berths i.e., LB-02, LB-03 & LB-04 will continue to handle permitted cargoes as usual.

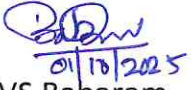

Shutdown at LB-01 & LB-02

Vessel operations at LB-01 and LB-02 will remain suspended from **05-November-2025 to 07-November-2025**. During this period, JJLTPL will carry out pipeline hook-up, hydro testing, and associated works and BPCL will carry out hot works for tie-in points of Marine Loading Arms. As the above works have been meticulously planned and vendors mobilized, no vessel operations will be carried out at LB-01 & LB-02 during this period. However, JJLTPL Berths LB-03 & LB-04 will remain operational.

All stakeholders are requested to kindly note the above shutdown schedule and plan vessel movements accordingly. No requests for vessel placement at designated berth areas that are temporarily unavailable for use during the shutdown periods will be entertained.

We regret the inconvenience caused and appreciate your kind cooperation.

This Trade Notice is issued with the approval of the Competent Authority.
