TRADE CIRCULAR

SUB: Maintenance of Berth No. 2 - temporary Non-availability from
01.04.2026 to 15.05.2026 - Reg.

This is to inform all concerned stakeholders that the work of providing M30 grade concrete for the remaining portion of Berth No. 2 inside the Wharf area is scheduled to be taken up from 01-04-2026 to 15-05-2026. The activity forms part of the ongoing infrastructure works and will be executed in a planned and controlled manner to ensure safety, quality, and minimal disruption to port operations at adjacent berths.

During this period, the Berth No.2 shall remain unavailable for cargo handling operations and the access to Transit Shed No.1 will also be restricted from berth side. If any vessel is berthed and is continuing the operation before the commencement date of work, after the vessel completes its operations only the work front will be handed over to Civil Engineering department.

All Port Users/Stakeholders are requested to plan the vessels in view of proposed non-availability of Berth no.2 from 01.04.2026, extend necessary cooperation and coordination during the execution period. Any operational concerns during execution or coordination requirements may be communicated in advance to the Traffic Department and Civil Engineering Department to enable smooth and timely completion of the work.
