

Circular no: AKPL/Marine/02/24-25
Date: 14th May 2024

To,
Shipping Agents,
Adani Krishnapatnam Port Ltd.

Subject: Toll box Talk (TBT) conduction by vessel staff

Dear Sirs,

Safety of all personnel working onboard is top priority for Krishnapatnam port. The safety of workers while providing services onboard including suppling of the ship stores/fresh water/bunker/sludge and other jobs at onboard should be ensured at all times. To prevent the unsafe conditions and for safe operation, the ship staff must provide **TBT** to ship shore staff from chandlers/vendors/agent prior starting the job onboard.

The vessel master must report to POC after completion the TBT along with photographs and working guidelines given to ship chandlers/vendors/agent.

Port shall NOT allow any work/services onboard unless Master confirms by mail that TBT has been done.

All agencies must instruct the Master of the vessel to firmly adhere to this circular and port safety rules.

For Adani Krishnapatnam Port Ltd.
