05 May 2025

NOTICE TO ALL STAKEHOLDERS

This is to inform all concerned that the BPCL Liquid Cargo Terminal (LB-01 & LB-02) will be shut down from May 27, 2025 to 31st May 2025, to facilitate the strengthening works on the pipeline trestle and other associated activities.

During this shutdown period, no vessel operations will be carried out at LB-01 and LB-02, as the strengthening works have been meticulously planned and vendors have been mobilized accordingly by M/s BPCL and M/s JLTPL. However, JLTPL berths LB-03 and LB-04 will remain operational during this time.

All stakeholders are requested to take note of this shutdown schedule and plan vessel movements accordingly. No requests for vessel placement at LB-01 and LB-02 during the shutdown period will be entertained.

Tank farm operators are encouraged to utilize this window to undertake any pending maintenance or works related to pipeline systems.

We regret any inconvenience this may cause and sincerely appreciate your understanding and cooperation.

This is issued with the approval of the Competent Authority.
