

**ANDHRA PRADESH MARITIME BOARD
GOVERNMENT OF ANDHRA PRADESH.**

Circular No PC/Traffic/Weather Report/2022,

Office of the Port Officer,
Kakinada, Dt 09 .05.2022.

It is to inform that the Meterological Department, Government of India has released special Message on 08.05.2022 duly stating that cyclone is very likely to recurve north-north east wards an move towards Northwest Bay of Bengal off Odhisha coast. It is likely to weaken gradually into a Cyclonic Storm during next 36 hours around 12.30 hours of 09.05.2022.

It is observed that present Sea Condition is very bad and not safe for sending barges to the Anchorage.

In view of the above, it is request all the agents to inform their vessel master/Owners that all the vessel at Kakinada Anchorage Port should keep Engines of their Vessels/Tugs in stand by position and ready to leave the port with in one hour notice from Kakinada Anchorage Port to OPL.

All the Cargo Barges movements are suspended from 14:36 Hours on 09.5.2022 till further notice.

PORT OFFICER (FAC)
KAKINADA.

9/5/2022
